

Waeco Refrigerators / Coolers

Coolmatic by Waeco

Premium refrigerators/freezers for every application

Coolmatic® CF Series refrigerators offer powerful cooling and deep-freezing from 50° to 0°F, and state-of-the-art electronics for extra comfort and convenience. There's an ideal appliance for every requirement—from the slim 19 quart to the extra large capacity, 112.7 quart.

Coolmatic® by Waeco

Cooling Comfort for Confined Spaces. The CD-30 Drawer Fridge turns unused nooks and crannies into a practical, 31 quart cooler. Powered by a Danfoss BD35F compressor, this compact drawer unit opens easily with a single movement of your hand.

My Fridge & Tropicool™ Freshbag

My Fridge by Waeco

This personal refrigerator can cool up to 36°F below the ambient temperature. And if need be, the mini-fridge can even provide heating (up to + 149°F).

Tropicool Freshbag by Waeco

The TF-14 holds up to 15 quarts and simply connects to any cigarette lighter for operation.

Coolmatic® by Waeco

All Coolmatic® RPD Series Refrigerators come with Danfoss BDF technology. These high-tech compressors ensure superior cooling performance in all situations. Additional stability is provided by a sturdy steel sheet behind the insulation.
